SECTION 1: PURPOSE OF THE PROGRAM

THIS IS AN HONESTY-BASED PROGRAM. It runs entirely on truth, trust, and taking responsibility for your actions. Excuses, evasion, and dishonesty will not be tolerated.

Honesty means: Telling us when you are struggling or tempted before you act, ensuring your actions match your words, and not hiding or covering up issues.

This is a peer-supported recovery program, not a substitute for medical treatment, psychological therapy, or detox. We work with qualified health professionals to ensure you have safe, funded, and approved care.

SECTION 2: RULES & PROGRAM EXPECTATIONS

- **Honesty & Accountability:** Actions speak louder than words. Report struggles, triggers, or concerns immediately.
- **Communication & Check-Ins:** 3 daily check-ins (Morning, Midday, Evening via text). Reply to calls/messages within 30 minutes during program hours. Face-to-face sessions: 3x per week (Weeks 1–4), reducing to 2x (Weeks 5–6), and 1x (Weeks 7–8).
- **Individual Tailoring:** Once signed, we arrange your GP appointment. Information is used to build your support plan, shared with your GP and Carlos Camacho only with your written consent.

- **2. Session Timing:** Carlos Camacho provides support weekly or fortnightly over 8 weeks. Sessions run privately or via bulk-billing if Medicare sessions run out.
- **3. Clinical Oversight:** Carlos Camacho reviews your recovery plan, confirms progress, and provides sign-off for services like WDO, court, or Centrelink.
